Dear Parents,

Election of Parent Governor

The Instrument of Government for Jurby Community School provides for the inclusion of a Parent Governor on the School's Governing Body. The current parent Governor, Mr Lee Quaggin, has now completed two years in post, and so he has completed his term of office.

It is therefore necessary to hold an election for either a new parent Governor, or for Mr Quaggin to be re-elected. If there is more than one nomination for the post then an election will be held. If there is only one nomination, then that person will be automatically elected.

To stand, propose, assent or vote in the election a parent must be the parent of a child who is a registered pupil at the School at the date of the election. For the purposes of the election, the term "parent" includes any person who has parental responsibility for a child and any person with whom a child is living and who has care of him or her. Within a family each parent may vote but parents do not have extra votes because they have more than one child in the School.

As Headteacher of the School, I am the Returning Officer for the election.

Any parent who wishes to stand as a candidate should have the nomination form duly completed and ensure that it is returned to me by 4.00pm on Friday 25th September. Any form returned after this time will be invalid.

Yours sincerely,

Mr W Nelson
